Greater Calgary Orthodontics
Suite 124, 4935 40th Ave NW
Calgary, AB T3A 2N1

Dear Dr. Boutin,

RE: Saint Francis Athletic Auction Appreciation

On behalf of the Saint Francis school community we extend our gratitude for your donation to the Athletic Auction fundraiser which was held on January 30th. This year the auction was a great success and approximately \$32,000 was raised for students. This accomplishment would not have been possible if we did not have your generous support. The auction was well attended and our guests really enjoyed a fun evening filled with entertainment and great food as provided by Spolumbo's Fine Food and Deli. We are so blessed to be part of a community that generously supports Saint Francis students and programs.

Your contribution will assist in defraying the costs incurred by teams throughout the year on items such as uniforms, team wear for volunteer coaches and players, coaching clinics, facility rentals, bus rentals and equipment replacement. We also use the funds to help supplement costs for teams who qualify for provincials and for driver training and the associated costs to keep our tubby bus drivers current and eligible to drive.

Once again, we greatly appreciate your loyalty, dedication and all that you do for our school. Your generosity truly makes a positive difference for Saint Francis Students. Go Browns Go!

Best regards,

Mark Berger
Principal
